Stearns Road Project, Right-of-Way Settlement for Parcel 31

Scope of Work Summary

Cuyahoga County Code Section 109.01 (B) - This item is a settlement in excess of \$50,000 for the voluntary acquisition for the purpose of making or repairing roads so the settlement must be approved by BOC.

The Department of Public Works is requesting approval of One (1) Offer of Settlement Agreements for acquiring necessary Right-of-Way for the Stearns Road Project (CR-76) between Schady Road to Bagley Road in Olmsted Township, Ohio. A summary of the property rights required, damage and compensation by item is set forth in the enclosed Value Analysis reports for these parcels:

Parcel 31 SH, T (Standard Highway Easement & Temporary Easement)

Property Owners: Spruce Lake LTD

Fair Market Value Estimate: \$181,748.00

Settlement with Property Owner: \$181,748.00

* The settlement amount is equal to the approved Fair Market Value Estimate (FMVE) as determined by Ohio Department of Transportation pre-qualified appraisers and review appraisers.

The primary goal is approval of the Settlement to construct the Royalton Road Project.

- The Project is located on the Stearns Road (CR-76) between Schady Road to Bagley Road in Olmsted Township, Ohio
- Council District 5

Procurement

The procurement method for the acquisition of right-of-way for this project is that consultant O.R. Colan visits the properties, its ODOT pre-qualified appraiser prepares a Fair Market Value Estimate [FMVE] of the property being taken. Lastly, one of O.R. Colan's pre-qualified land consultants negotiates with the property owners. The consultant considers the amount of settlement to be reasonable. The property owner has agreed to the settlement amount [see, attachments].

Public Works – PO21003741 - Wadsworth Solutions – Water Source Heat Pumps

Scope of Work Summary

Public Works is requesting approval of a Price Adjustment to a previously approved Purchase Order with Wadsworth Solutions. The original approved PO amount was \$12,632.50. The revised PO amount will be \$15,793.00.

The request was for five (5) water source heat pumps to be used at the Courthouse Square building. They are replacement water heat source pumps for older deteriorating pumps. The heat source pumps are for commercial and industrial environments, allowing energy efficient means of heating domestic water.

The price increase is due to global supply chain hurdles involving labor shortages and raw material discrepancies. The raw materials impacting these pumps include steel components (stainless and alloy), nickel, molybdenum, iron castings, copper tubing and other corrosion resistant materials. Because of the multitude of materials involved with manufacturing this equipment, there are long lead times subject to severe price volatility.

Procurement

The original procurement method for this project was an Informal bid that resulted in one bid submission by Wadsworth Solutions. The total value of the Purchase Order \$15,793.00.

Contractor and Project Information

Wadsworth Solutions

7851 Freeway Circle

Middleburg Heights, OH 44130

Project Status and Planning

The purchase has already been BOC approved. This is a request to increase the PO amount to factor in price increases from global supply chain impacts.

Funding

The project is funded 100% by the General Fund.

Public Works, 2022, Alternative Procurement request for On-Call Heavy Construction Services (max of 3 contractors) for Road & Bridge repairs, RFP #TBD, \$1,500,000 over 3 years

Scope of Work Summary:

Department of Public Works is requesting approval to utilize alternative procurement methods for future RFP #TBD for On-Call Heavy Construction Services for future Road and Bridge repairs and maintenance. The anticipated start-completion dates will be from the date of execution for a period of three years for a maximum of three contractors for a total of \$1,500,000.

The primary goal of this contract will be to conduct a competitive RFP process to select a maximum of three contractors that are County eligible and ODOT Pre-Qualified contractors for On-Call heavy construction services for Road and Bridge maintenance and repairs. Projects will be on a task-order basis for less than \$300,000 in estimated value. DPW would like to conduct a mini-bid process for each task with the contractors selected for this RFP and to then select the contractor with the lowest and best bid using standard ODOT/County bid items.

The location is various roadway and bridge construction projects within Cuyahoga County.

The projects can be located in various Council Districts.

Procurement

The procurement method for this project will be RFP #TBD. The total value of the RFP is not to exceed \$1,500,000.

Project Status & Planning

Project Status and Planning

The project is an annual grant application for the Court.

The project's term has already begun. This grant spans a timeline of July 1st, 2022 through June 30th, 2023. The original application was submitted before the start of the grant period. This new revision is to update allocation of funds for supplies and incentives for our CBIC program. All funds will now come strictly from the competitive section of RECLAIM.

Funding

The project is funded 100% by the Reasoned and Equitable Community and Local Alternatives to the Incarceration of Minors grant.

The schedule of payments is semi-annually.

The project is a revision to a grant. This revision changes the value of the requested grant from \$8,003,970.58 to \$8,006,220.58 to increase incentives and supplies for the CBIC program at the Cuyahoga County JJC and is the 1st revision of the grant. The history of the amendments is: no previous revisions or amendments to RECLAIM for state fiscal year 2023.
