Effective through December 31, 2012, a contracting authority that is unable to identify more than one source through which the contract or purchase can be made pursuant to the requirements of Section 501.12(D) of the County Code shall make a request to the Contracts and Purchasing Board for approval to seek a contract with or purchase from the sole source provider. The request for approval shall be made on a form established by the Office of Procurement and Diversity, and approved by the Law Department, and shall include a verified statement by the vendor, subject to the penalty of perjury, certifying the vendor's sole source status. If the sole source request is approved, the purchase or contract must still receive the requisite approval by the County Council, Board of Control, or Contracts and Purchasing Board pursuant to Section 501.04 of the County Code.~~

F. ~~Effective January 1, 2013, if~~ **If** the County seeks to make contracts or purchases of \$25,000 or more, and it is unable to identify more than one source and a vendor provides the County with a verified statement, subject to the penalty of perjury, certifying its sole source status, the County shall then solicit the availability of vendors for the contract/purchase. The solicitation shall be for a period of no less than 48 hours on the County's web site and through a vendor email notification system that is approved by the Office of Procurement and Diversity and the Law Department. If the posting fails to identify any additional vendor, the County may then proceed to submit the proposed purchase/contract to the appropriate approval authority as a sole source. If, however, the posting results in the identification of more than one possible vendor, the County shall only proceed with the procurement through the requisite competitive process under Chapter 501 of the Cuyahoga County Code unless the County receives an appropriate exemption in accordance with the requirements of the Code. The request for an exemption shall be made on a form established by the Office of Procurement and Diversity, and approved by the Law Department, and shall include a verified statement by the vendor, subject to the penalty of perjury, certifying the vendor's sole-source status. If the sole-source request is approved, the purchase or contract must still receive the requisite approval by the County Council, **or** Board of Control, ~~or~~ ~~Contracts and Purchasing Board~~ pursuant to Section 501.04 of the County Code.
