~~124.14 Job Classification Pay Ranges.~~

~~(A)(1) The Personnel Review Commission shall establish, and may modify or rescind, subject to approval by County Council, a job classification plan in accordance with the requirements of Section 9.04 of the Cuyahoga County Charter and Chapter 305 of this Code. The Commission shall group jobs within a classification so that the positions are similar enough in duties and responsibilities to be described by the same title, to have the same pay assigned with equity, and to have the same qualifications for selection applied. The Commission shall assign a classification title to each classification within the classification plan. However, the Commission shall consider in establishing classifications, including classifications with parenthetical titles, and assigning pay ranges, such factors as duties performed only on one shift, special skills in short supply in the labor market, recruitment problems, separation rates, comparative salary rates, the amount of training required and other conditions affecting employment. The Commission shall describe the duties and responsibilities of the class, and establish the qualifications for being employed in each position in the class. The Commission shall assign each classification to an equitable pay range.~~

~~(2) The Director may reassign to a proper classification those positions and/or employees have been assigned to an improper classification. The Director may also assign a proper classification to a County employee who qualifies for a classification but has not previously been assigned to one. If a reassignment or assignment occurs, the employee shall be placed in an equitable pay step in the applicable pay range for the new classification. Determination of the equitable pay step shall be based on the review of the employee's relative skill level, education and experience as compared to the employees currently existing in the classification.~~

When a career progression encompasses more than ten classifications, the Commission shall, subject to approval by County Council, identify the additional classifications belonging to a classification series. The additional classifications shall be part of the classification series, notwithstanding the fact that the first four digits of the number assigned to the additional classifications do not correspond to the first four digits of the number of the assigned to other classification in the classification series.~~

B. Classification Plan.

(1) The Personnel Review Commission shall administer, subject to approval by County Council, a clear, countywide classification and salary administration system in accordance with the requirements of Section 9.03 of the Cuyahoga

County Charter. The Commission shall group positions within a classification so that the positions are similar enough in duties and responsibilities to be described by the same title, to have the same pay assigned with equity, and to have the same qualifications for selection applied. The Commission shall recommend a classification title for each classification within the classification plan. The Commission shall consider in recommending classifications and equitable pay grades, those factors deemed compensable by the County. The Commission shall describe the duties and responsibilities of the class in proposed classifications specifications, and recommend to County Council the qualifications for each position in the class.

(2) The Commission shall, subject to approval by County Council, assign related classifications that form a career progression to a classification series, and shall assign each series to a job family.

(3) Classification Plan Maintenance. When, the Personnel Review Commission recommends and Council determines to change the pay grade assigned to an existing classification or create a new classification, the Director of Human Resources is authorized to set the pay of affected employees, if any. Determination of pay shall not be arbitrary or capricious, or based on nepotism, political affiliation or any other factor that violates the Code of Ethics codified in Title 4 or any other County, state or federal law. Individual pay determinations shall be based on relevant factors, including direct experience performing the job functions, qualifications, the labor market, the pay of other employees assigned to the same classification, and any other factors deemed by the Director of Human Resources to be relevant to the individual case, with the relative importance of all factors to be as determined by the Director to be the most appropriate for the individual case. If funds are available, any pay rate change resulting from this process may be implemented no later than the first full pay period of the following calendar year, unless the Executive determines, in his/her discretion, to implement the change earlier. Pay determinations by the Director under this section that do not result in a reduction in pay shall not be subject to appeal.

C. Position Audits.

(1) The Director of Human Resources may initiate a position audit and, based on the results of the audit, may reassign any employee to the proper classification, as long as the employee is performing the essential job functions of the classification identified by the Director at least fifty percent (50%) of his/her time for a minimum of one hundred and twenty (120) consecutive calendar days and the employee meets the minimum qualifications for the classification.

(2) Upon the request of any non-bargaining, non-probationary classified employee, the Director of Human Resources shall perform a position audit to review the employee's position for the sole purpose of determining whether the employee is properly assigned to his/her classification and, if not, to identify the

proper classification. The Director of Human Resources shall give to the affected employee and to the employee's appointing authority a written notice of the Director's determination. Reassignment may only occur if the employee continues to perform essential job functions that are exclusive to another classification at least fifty percent (50%) of his/her time for a minimum of one hundred twenty (120) calendar days, and the employee meets the minimum qualifications for the classification. An employee may not request a position audit more than once in a twelve (12)-month rolling period unless approved the Director.

(3) An employee who has been reassigned to a different classification through the position audit process is not required to serve a new probationary period.

(4) Employees must meet the minimum qualifications of a classification to be assigned to that classification through the position audit process. The Personnel Review Commission shall, on a regular basis, audit final determinations on position audits to verify whether the employee meets the minimum qualifications for the classification to which he/she was reassigned.

(5) If an employee is reassigned to a different classification through the position audit process referred to in subsections (C)(1) and (C)(2), such placement may result in the employee being reassigned to a classification in the same pay grade, a lower pay grade, or a higher pay grade. If the employee is reassigned to a classification with the same pay grade, the employee's salary shall not change. If the employee is reassigned to a classification with a lower pay grade, the employee's pay may be decreased by up to five percent (5%), or set at the new pay grade's maximum rate, whichever pay decrease is greater, and the pay decrease shall not be retroactive. If the employee is reassigned to a classification with a higher pay grade, the employee's pay may be increased by up to five percent (5%), or set at the new pay grade's minimum rate, whichever is greater, and the pay increase shall be retroactive to the first pay period following the date the audit was requested. Pay determinations of the Director under this section shall not be arbitrary or capricious. Individual pay determinations shall be based on relevant factors, including direct experience performing the job functions, qualifications, the labor market, funding, and the pay of other employees assigned to the same classification, and any other factors deemed by the Director of Human Resources to be relevant to the individual case, with the relative importance of all factors to be determined by the Director to be the most appropriate for the individual case.

(6) In lieu of reassignment pursuant to subsections (C)(1) and (C)(2), the appointing authority may choose, or the Director of Human Resources may direct the appointing authority, to remove or reduce the amount of duties that are in a classification other than the employee's, and to require the assignment of duties that are within the scope of the employee's classification, to occur no later than forty-five (45) calendar days from the date of the determination. In such case, the employee shall be compensated with up to a five percent (5%) pay increase for the temporary performance of duties in a higher-paying classification. This pay

increase shall be calculated from the first full pay period following the date the audit was requested through the date the employee's duties were changed. If following the forty-five (45) calendar-day period the employee believes that he/she is still performing job duties of a different classification at least fifty percent (50%) of his/her time, the Commission shall determine whether the employee has been compensated for the performance of the duties in the higher classification, and may order that the duties be removed within a particular time frame and that the employee be compensated.

(7) If an employee is assigned or reassigned to a classification through exercise of powers granted to the Director of Human Resources in subsections (C)(1), (C)(2), or (D), the Director shall give the affected employee and the employee's appointing authority written notice setting forth the Director's determination. If the assignment or reassignment results in a salary reduction, the affected employee shall be offered an opportunity to meet with the Director or designee prior to the determination becoming final. Subsequent to this meeting, or the employee's waiver of this meeting, the Director shall provide the employee and the employee's appointing authority written notice of the Director's final determination. Determination letters may be sent to employees by electronic mail to the employees' County e-mail addresses.

(8) Following a final determination of the Director of Human Resources pursuant to Subsections (C)(1), (C)(2), or (D), a non-bargaining, non-probationary employee may file a written appeal with the Personnel Review Commission in accordance with the Personnel Review Commission's Administrative Rules. Employee's may also file an appeal to the limited extent authorized by (C)(6).

(9) Following a determination by the Commission that a non-bargaining, non-probationary employee is performing the essential job functions exclusive to a different classification at least fifty percent (50%) of the time, in lieu of reassignment the appointing authority may choose, or the Director of Human Resources may direct the appointing authority, to remove or reduce duties as provided for in Subsection (C)(6) above.

(10) Assignment of Current Employees Who Were Not Previously Classified. The Director of Human Resources may assign a County employee who has not previously been assigned to a classification in the classification plan. An employee who has received an assignment pursuant to this Subsection is not required to serve a new probationary period.

D. To ensure pay equity for like positions, the Personnel Review Commission may conduct audits of final pay determinations pursuant to (B)(3), and of final pay determination made pursuant to (C)(5) where appeal rights have expired and there is no pending appeal. When such an audit is conducted, the Department of Human Resources shall provide the Commission with the rationale and supporting documentation for the Director's final pay determination. The

Commission shall provide reports on its audit findings to the Administration and County Council. Nothing in this provision shall require the Commission's audit of pay determinations within like positions to be restricted or limited solely to those employees whose pay is affected by final pay determinations as a result of maintenance of the class plan or the position audit process, but the Personnel Review Commission will not consider in its audit any employees with a pending appeal related to C (5).

~~(D)(1) When the Commission modifies a classification or the assignment of classes to appropriate pay ranges, the Commission shall review the proposed action in an open meeting. If the Commission approves of the proposed action, it shall submit the proposed action to County Council.~~

~~(2) When the Director proposes to reassign any employee or reclassify any position, as long as the reclassification does not result in a modification of the County's Class Plan, and an employee is adversely affected, the Director shall give to the employee affected and to the employee's appointing authority a written notice setting forth the proposed new classification, pay range and step, and salary. Employees shall be given advance notice of reassignment or reclassification in the manner prescribed by the Personnel Review Commission's administrative rules adopted pursuant to section 301.02 of the code. If the reassignment or reclassification results in a reduction in salary, the employee shall be offered an opportunity to meet with the Director or designee to dispute the proposed change. Subsequent to this meeting, or the employee's waiver of this meeting, the Director shall provide the employee written notice of the final decision regarding the proposed reduction. The employee may then file an appeal of the Director's final decision to the Personnel Review Commission in accordance with the process described below.~~

~~Upon the request of any classified employee who is not serving in a probationary period, the Director shall perform a job audit to review the classification of the employee's position to determine whether the position is properly classified. The Director shall give to the employee affected and to the employee's appointing authority a written notice of the Director's determination whether or not to reclassify the position. An employee desiring a hearing shall file a written request for the hearing with the Personnel Review Commission in accordance with the Personnel Review Commission's Rules.~~

~~order the reclassification of the employee and require the Director to assign the employee to such appropriate classification as the facts and evidence warrant. As provided in division (A)(1) of section 124.03 of the Revised Code, the Commission may determine the most appropriate classification for the position of any employee coming before the board, with or without a job audit. The Commission shall disallow any reclassification or reassignment classification of any employee when it finds that changes have been made in the duties and responsibilities of any particular employee for political, religious, or other unjust reasons. fifty5~~

~~(I) The Director shall set the rate of compensation for all intermittent, seasonal, temporary, emergency, and casual employees in the service of the County who are not considered public employees under section 4117.01 of the Revised Code.~~

124.34 - Reduction in Pay or Position - Suspension - Removal.

(A) The tenure of every officer or employee in the classified service of the state and the counties, civil service townships, cities, city health districts, general health districts, and city school districts of the state, holding a position under this chapter, shall be during good behavior and efficient service. No officer or employee shall be reduced in pay or position, fined, suspended, or removed except as provided in section 124.32 of the Revised Code, and for incompetency, inefficiency, dishonesty, drunkenness, immoral conduct, insubordination, discourteous treatment of the public, neglect of duty, violation of any policy or work rule of the officer's or employee's appointing authority, violation of this chapter or the rules of the director of administrative services or the commission, any other failure of good behavior, any other acts of misfeasance, malfeasance, or nonfeasance in office, or conviction of a felony. The denial of a one-time pay supplement or a bonus to an officer or employee is not a reduction in pay for purposes of this section.

This section does not apply to any modifications or reductions in pay authorized by division (A)(2) of Section 124.14, division (O) of section 124.181 or section 124.392 or 124.393 of the Revised Code.

An appointing authority may require an employee who is suspended to report to work to serve the suspension. An employee serving a suspension in this manner shall continue to be compensated at the employee's regular rate of pay for hours worked. The disciplinary action shall be recorded in the employee's personnel file in the same manner as other disciplinary actions and has the same effect as a suspension without pay for the purpose of recording disciplinary actions.

A finding by the appropriate ethics commission, based upon a preponderance of the evidence, that the facts alleged in a complaint under section 102.06 of the Revised Code constitute a violation of Chapter 102, section 2921.42, or section 2921.43 of the Revised Code may constitute grounds for dismissal. Failure to file a statement or falsely filing a statement required by section 102.02 of the Revised Code may also constitute grounds for dismissal. The tenure of an employee in the career professional

service of the department of transportation is subject to section 5501.20 of the Revised Code.

Conviction of a felony is a separate basis for reducing in pay or position, suspending, or removing an officer or employee, even if the officer or employee has already been reduced in pay or position, suspended, or removed for the same conduct that is the basis of the felony. An officer or employee may not appeal to the state personnel board of review or the commission any disciplinary action taken by an appointing authority as a result of the officer's or employee's conviction of a felony. If an officer or employee removed under this section is reinstated as a result of an appeal of the removal, any conviction of a felony that occurs during the pendency of the appeal is a basis for further disciplinary action under this section upon the officer's or employee's reinstatement.

A person convicted of a felony immediately forfeits the person's status as a classified employee in any public employment on and after the date of the conviction for the felony. If an officer or employee is removed under this section as a result of being convicted of a felony or is subsequently convicted of a felony that involves the same conduct that was the basis for the removal, the officer or employee is barred from receiving any compensation after the removal notwithstanding any modification or disaffirmance of the removal, unless the conviction for the felony is subsequently reversed or annulled.

Any person removed for conviction of a felony is entitled to a cash payment for any accrued but unused sick, personal, and vacation leave as authorized by law. If subsequently reemployed in the public sector, the person shall qualify for and accrue these forms of leave in the manner specified by law for a newly appointed employee and shall not be credited with prior public service for the purpose of receiving these forms of leave.

As used in this division, "felony" means any of the following:

- (1) A felony that is an offense of violence as defined in section 2901.01 of the Revised Code;
- (2) A felony that is a felony drug abuse offense as defined in section 2925.01 of the Revised Code;
- (3) A felony under the laws of this or any other state or the United States that is a crime of moral turpitude;
- (4) A felony involving dishonesty, fraud, or theft;

(5) A felony that is a violation of section 2921.05, 2921.32, or 2921.42 of the Revised Code.

(B) In case of a reduction, a suspension of more than forty work hours in the case of an employee exempt from the payment of overtime compensation, a suspension of more than twenty-four work hours in the case of an employee required to be paid overtime compensation, a fine of more than forty hours' pay in the case of an employee exempt from the payment of overtime compensation, a fine of more than twenty-four hours' pay in the case of an employee required to be paid overtime compensation, or removal, except for the reduction or removal of a probationary employee, the appointing authority shall serve the employee with a copy of the order of reduction, fine, suspension, or removal, which order shall state the reasons for the action.

An employee may appeal such order in accordance with the Rules set forth by the Personnel Review Commission. If an appeal is filed, the Personnel Review Commission shall forthwith notify the appointing authority and shall hear, or appoint a hearing officer to hear, the appeal. The Personnel Review Commission may affirm, disaffirm, or modify the judgment of the appointing authority. However, in an appeal of a removal order based upon a violation of a last chance agreement, the Personnel Review Commission may only determine if the employee violated the agreement and thus affirm or disaffirm the judgment of the appointing authority.

Either the employee or the appointing authority may appeal the decision of the Personnel Review Commission to the Cuyahoga County Court of Common Pleas in accordance with general law.

(C) (Deleted in its entirety)

(D) A violation of division (A)(7) of section 2907.03 of the Revised Code is grounds for termination of employment of a nonteaching employee under this section.

(E) As used in this section, "last chance agreement" means an agreement signed by both an appointing authority and an officer or employee of the appointing authority that describes the type of behavior or circumstances that, if it occurs, will automatically lead to removal of the officer or employee without the right of appeal to the state personnel board of review or the appropriate commission.
