WHEREAS, two out of every three Ohioans are impacted by a friend and/or family member with a mental illness and/or substance abuse problem; and,

WHEREAS, behavioral health care is treatment of mental illness and addiction, and health care is the treatment of the body, and because the brain is an essential part of the body, *Behavioral Health Care IS Health Care*; and,

WHEREAS, Ohio must address the fact that an increasing number of County Boards cannot meet the Medicaid match for behavioral health services within the existing Medicaid population; and,

WHEREAS, fewer and fewer severely mentally ill and addicted Non-Medicaid eligible clients are being provided services due to the continued erosion of the behavioral health safety net; and,

WHEREAS, the critical condition of community alcohol, drug addiction and mental health services has become so pervasive and acute that vulnerable Ohioans are suffering and dying needlessly.
