(a) Payment of Principal, Premium and Interest. The Issuer will, solely from the Revenues or sources otherwise provided herein and in the Indenture, pay or cause to be paid the principal of, premium, if any, and interest on the Bonds on the dates,

at the places and in the manner provided herein, in the Indenture and in the Bonds, provided, however, that nothing in this Bond Resolution shall be deemed to prohibit the Issuer, of its own volition, from using to the extent it is lawfully authorized to do so, any other resources for the payment of the principal of, premium, if any, and interest on the Bonds and the fulfillment of any other terms, conditions or obligations of the Indenture, this Bond Resolution or the Bonds.

(b) Performance of Covenants, Authority and Actions. The Issuer will at all times observe and perform all agreements, covenants, undertakings, stipulations and provisions contained in the Issuer Documents, and in all proceedings of the Issuer pertaining to the Bonds. The Issuer warrants and covenants based upon opinion of Bond Counsel and representations of the Borrower that the Issuer is, and upon delivery of the Bonds will be, duly authorized by the laws of the State of Ohio, including particularly and without limitation the Act, to issue the Bonds and to execute the Issuer Documents, and all other documents to be executed by it, to provide for the security for payment of the principal of, premium, if any, and interest on the Bonds in the manner and to the extent herein and in the Indenture set forth; that all actions on its part for the issuance of the Bonds and execution and delivery of the Issuer Documents, and all other documents to be executed by the Issuer in connection with the issuance of the Bonds, are binding upon each officer of the Issuer in his or her official capacity as may from time to time have the authority under the law to take such actions as may be necessary to perform all or any part of the duty required by such provision; and each duty of the Issuer and of its officers and employees undertaken pursuant to such proceedings for the Bonds is established as a duty of the Issuer and of each such officer and employee having authority to perform such duty, specifically enjoined by law and resulting from an office, trust or station within the meaning of Section 2731.01 of the Ohio Revised Code, providing for enforcement by writ of mandamus.

SECTION 9. Guaranty.

(a) During the Initial Guaranty Period and any Subsequent Guaranty Period, the Issuer absolutely and unconditionally guarantees to the Trustee for the benefit of the holders of the Bonds the full and timely payment of Guaranteed Bond Service Charges. The obligation of the Issuer under the Guaranty shall not be secured by any pledge of tax revenue.

The Guaranty shall become effective as of its date, and the Initial Guaranty Period shall commence on January 1, 2014. The Initial Guaranty Period and the Guaranty shall terminate on December 31, 2014, unless renewed as set forth below. The amount of the appropriation required for the Guaranty during the Initial Guaranty Period shall be equal to the Guaranteed Bond Service Charges payable during such Guaranty Period. The Guaranty may be renewed in accordance with the terms and conditions set forth herein for Subsequent Guaranty Periods. If the right to renew is exercised, the Guaranty shall be a new Guaranty, and each such new Guaranty shall terminate on the

termination date of the applicable Subsequent Guaranty Period unless it terminates at an earlier date as hereinafter provided in this Section 9. If the Guaranty shall not have terminated previously, then the Guaranty shall terminate at such time as all Guaranteed Bond Service Charges are paid in full by Borrower or any other party on behalf of Borrower.

The Issuer shall be deemed to have exercised its right of renewal for each succeeding Subsequent Guaranty Period if, at or prior to the expiration of the then current Guaranty Period, the Issuer lawfully appropriates sufficient funds to permit the payment of all Guaranteed Bond Service Charges due during the next Subsequent Guaranty Period. The Fiscal Officer shall promptly certify each such appropriation to the Trustee, but no failure to make such certification shall negate the effect of a lawful and sufficient appropriation for the purpose of renewal of the Guaranty.

The Issuer hereby agrees and covenants that the Fiscal Officer shall include an appropriation of sufficient funds to permit the payment of all Guaranteed Bond Service Charges due within the next subsequent Guaranty Period in each annual update to such appropriations set forth in each biennial budget, resolution or ordinance, as the case may be, including without limitation, appropriation of sufficient funds to permit the payment of all Guaranteed Bond Service Charges due in calendar year 2014.

The Issuer currently has no reason to believe that legally available funds in an amount sufficient to pay Guaranteed Bond Service Charges due during each Guaranty Period, including without limitation, the Initial Guaranty Period, cannot be appropriated and obtained.

In the event no funds or insufficient funds are lawfully appropriated to permit the payment of Guaranteed Bond Service Charges due during a Guaranty Period, then the Issuer will immediately notify the Trustee of such occurrence. On the first day following the Payment Date on which the last Guaranteed Bond Service Charges could be paid in full from lawfully appropriated funds, the Guaranty shall terminate without penalty or expense to the Issuer of any kind whatsoever, except as to the portions of Guaranteed Bond Service Charges for Guaranty Periods in which sufficient funds had been lawfully appropriated, but subject to the provision of this Section 9 for reinstatement and renewal of the Guaranty.

If during any Guaranty Period, the Issuer lawfully appropriates sufficient funds to permit the payment of all Guaranteed Bond Service Charges due within a period less than the full term of a subsequent Guaranty Period, the Guaranty shall be deemed renewed for such shorter period and can be successively renewed for periods shorter than the full term of a Subsequent Guaranty Period. The Issuer shall be deemed to have exercised its right to renew for such a period shorter than a Subsequent Guaranty Period if, at or prior to the termination of the current Guaranty Period, there are lawfully appropriated funds enabling the payment of Guaranteed Bond Service Charges for such

shorter period. If the Guaranty is renewed for any period shorter than a Subsequent Guaranty Period, such shorter period shall terminate on the first day of the month following the last Payment Date on which there were funds lawfully appropriated to permit the payment of the Guaranteed Bond Service Charges then due in full.

If a Guaranty Period terminates without a renewal of the Guaranty for a succeeding Guaranty Period and if within thirty (30) days after such date of termination (a) there are lawfully appropriated funds which would have caused the Guaranty to be renewed if the appropriation had occurred prior to the termination of the Guaranty Period; and (b) the Fiscal Officer certifies that there is a balance in the appropriations, which balance is not obligated to pay existing obligations and is available to pay Guaranteed Bond Service Charges during the period for which funds have been lawfully appropriated for the payment thereof, then the Guaranty shall be reinstated and deemed renewed as of the day following the date of termination of the preceding Guaranty Period. If a Payment Date occurs during the period between the date of termination and date of reinstatement of the Guaranty, any Guaranty payment that would have been due on such Payment Date if the Guaranty had not been terminated shall become immediately due on the date the Guaranty is reinstated and shall be payable as soon thereafter as it is practicable for the Issuer to process payment.

(b) In consideration for the Issuer's execution and delivery of the Guaranty, Borrower shall pay the Issuer a fee of \$25,000 plus ten basis points of the amount of the issuance, simultaneously with the issuance and sale of the Bonds.

(c) Provided that the Guaranty has not been terminated and the Issuer has lawfully appropriated sufficient funds to permit the payment of all Guaranteed Bond Service Charges due within the next subsequent Guaranty Period, the Borrower shall agree under the Loan Agreement to repay or cause to be repaid to the Issuer from the Borrower's future Revenues any moneys paid to the Trustee pursuant to the Guaranty with interest and on such other terms and in such form as are consistent with Borrower's obligations under the Loan Agreement and the other related agreements securing the Bonds.

(d) The Indenture shall provide that the Revenues received under the Loan Agreement pledged to payment of the Bonds shall be applied to the following purposes in the following order: (i) provided that the Guaranty has not been terminated and the Issuer has lawfully appropriated sufficient funds to permit the payment of all Guaranteed Bond Service Charges due within the next subsequent Guaranty Period, to the repayment to the Issuer of any amounts paid by the Issuer under the Guaranty and not previously reimbursed to the Issuer, (ii) to the payment of Bond Service Charges on the Bonds; (iii) to the replenishment of the debt service reserve fund established under the Indenture securing the Bonds if such replenishment is necessary after a draw on such fund to restore its balance to the minimum amount required under that Indenture; and (iv) to such other purposes in such priority as shall be set forth in or pursuant to the Indenture.

Notwithstanding the foregoing, however, in the event the Guaranty has been terminated and the Issuer has not lawfully appropriated sufficient funds to permit the payment of all Guaranteed Bond Service Charges due within the next subsequent Guaranty Period, then the Indenture shall provide that the Revenues received under the Loan Agreement pledged to payment of the Bonds shall be applied to the following purposes in the following order: (i) to the payment of Bond Service Charges on the Bonds; (ii) to the replenishment of the debt service reserve fund established under the Indenture securing the Bonds if such replenishment is necessary after a draw on such fund to restore its balance to the minimum amount required under that Indenture; (iii) to the repayment to the Issuer of any amounts paid by the Issuer under the Guaranty and not previously reimbursed to the Issuer and (iv) to such other purposes in such priority as shall be set forth in or pursuant to the Indenture.

(e) The Guaranty shall include the Issuer's representation and warranty that:

(i) The Issuer has full power and authority to deliver, and to execute and perform its obligations under, the Guaranty and to enter into and carry out the transactions contemplated therein;

(ii) such execution, delivery and performance are not in contravention of any resolution of this Council, or any indenture, agreement or undertaking to which the Issuer is a party or by which it or any of its property is bound; and

(iii) the Guaranty has, by proper Council action, been duly authorized, executed and delivered by the Issuer, and all steps necessary have been taken to constitute the Guaranty, when executed and delivered, a valid and binding obligation of the Issuer enforceable in accordance with its terms.

SECTION 10. No Personal Liability. No recourse under or upon any obligation, covenant, acceptance or agreement contained in this Bond Resolution, or in any Bond, or in the Issuer Documents, or under any judgment obtained against the Issuer or by the enforcement of any assessment or by any legal or equitable proceeding by virtue of any constitution or statute or otherwise, or under any circumstances, shall be had against any officer or employee as such, past, present, or future, of the Issuer, either directly or through the Issuer, or otherwise, for the payment for or to the Issuer or any receiver thereof, or for or to any holder of any Bond, or otherwise, of any sum that may be due and unpaid by the Issuer upon any of the Bonds. Any and all personal liability of every nature, whether at common law or in equity, or by statute or by constitution or otherwise, of any such officer or employee, as such, to respond by reason of any act or omission on his or her part, or otherwise, for, directly or indirectly, the payment for or to the Issuer or any receiver thereof, or for or to the owner or any holder of any Bond, or

otherwise of any sum that may remain due and unpaid upon any Bond, shall be deemed to be expressly waived and released as a condition of and consideration for the execution and delivery of the Issuer Documents and the issuance of the Bonds.

SECTION 11. No Debt or Tax Pledge. Anything in this Bond Resolution, the Indenture, the Loan Agreement, the Private Placement Agreement, the Guaranty, the Bonds or any other agreement or instrument to the contrary notwithstanding, neither this Bond Resolution, the Bonds, the Indenture, the Guaranty, the Loan Agreement, nor the Private Placement Agreement shall represent or constitute a debt or pledge of the faith and credit of or the taxing power of the Issuer, and each Bond shall contain on the face thereof a statement to that effect and to the effect that the Bonds shall be paid solely from the Revenues received pursuant to the Loan Agreement and otherwise in accordance with the Indenture.

SECTION 12. Severability. If any section, paragraph or provision of this Bond Resolution shall be held to be invalid or unenforceable for any reason, the invalidity or unenforceability of such section, paragraph or provision shall not affect any of the remaining provisions of this Bond Resolution.

SECTION 13. Rescind. Resolution No. R2013-0093 is hereby rescinded.

SECTION 14. Effective Date. It is necessary that this Bond Resolution become immediately effective for the usual daily operation of the Issuer and the reasons set forth in the preamble. Provided that this Bond Resolution receives the affirmative vote of at least eight members of Council, it shall take effect and be in force immediately upon the earliest occurrence of any of the following: (a) its approval by the County Executive through signature, (b) the expiration of the time during which it may be disapproved by the County Executive under Section 3.10(6) of the Cuyahoga County Charter, or (c) its passage by at least eight members of Council after disapproval pursuant to Section 3.10(7) of the Cuyahoga County Charter.
