and

WHEREAS, if either party rejects the recommendations, the State Employment Relations Board shall publicize the findings of fact and recommendations of the fact-finder, and if the parties are unable to reach agreement within seven (7) days after the findings and recommendations have been published, then pursuant to the CBA and O.R.C. 4117.14(D)(2), the bargaining employees have the right to strike under Chapter 4117, provided that the employee organization has given a ten-day prior written notice of an intent to strike; and
