WHEREAS, Section 9.03 of the Charter of Cuyahoga County states that the Cuyahoga County Personnel Review Commission shall administer a clear, countywide classification and salary administration system for technical, specialist, administrative and clerical functions with a limited number of broad pay ranges within each classification; and

WHEREAS, Section 2.10 of the Cuyahoga County Personnel Policies and Procedures Manual (Ordinances No. O2011-0015 and O2011-0028) states that the employment of all classified County employees is subject to the provisions of the Ohio Revised Code, the Ohio Administrative Code, the Cuyahoga County Administrative Rules and the Policies and Procedures Manual; and

WHEREAS, the Personnel Review Commission submitted several proposed changes to the Cuyahoga County Non-bargaining Classification Plan; and

WHEREAS, the Personnel Review Commission considered this matter and has undergone significant review, evaluation and modification of such submitted changes to the Cuyahoga County Non-bargaining Classification Plan; and

WHEREAS, on September 21, 2016, the Personnel Review Commission met and recommended the classification changes (attached hereto as Exhibits A through V), and recommended to County Council the formal adoption and implementation of the attached changes; and

WHEREAS, it is necessary that this Resolution become immediately effective in order that critical services provided by Cuyahoga County can continue and to provide for the usual, daily operation of a County entity.

NOW, THEREFORE, BE IT RESOLVED BY THE COUNTY COUNCIL OF CUYAHOGA COUNTY, OHIO:

SECTION 1. That the Cuyahoga County Council hereby adopts the following changes to the Cuyahoga County Non-bargaining Classification Plan:

SECTION 2. It is necessary that this Resolution become immediately effective for the usual daily operation of the County and the reasons set forth in the preamble. Provided that this Resolution receives the affirmative vote of at least eight members of Council, it shall take effect and be in force immediately upon the earliest occurrence of any of the following: (1) its approval by the County Executive through signature, (2) the expiration of the time during which it may be disapproved by the County Executive under Section 3.10(6) of the Cuyahoga County Charter, or (3) its passage by at least eight members of Council after disapproval pursuant to Section 3.10(7) of the Cuyahoga County Charter. Otherwise, it shall take effect and be in force from and after the earliest period allowed by law.  

SECTION 3. It is found and determined that all formal actions of this Council relating to the adoption of this Resolution were adopted in an open meeting of the Council, and that all deliberations of this Council and of any of its committees that resulted in such formal action were in meetings open to the public, in compliance with all legal requirements, including Section 121.22 of the Ohio Revised Code.  

On a motion by Ms. Conwell, seconded by Mr. Schron, the foregoing Resolution was duly adopted.

Classification Function
The purpose of this classification is to provide print services to County departments and supervise staff of printing and reproduction division.

Distinguishing Characteristics
This is a management level classification with responsibility for planning, directing and controlling the printing and reproduction division. The employee works with a framework of policies, procedures, and local and State laws. The incumbent exercises discretion in applying policies and procedures to resolve organizational issues and to ensure that assigned activities are completed in a timely and efficient manner.

Essential Job Functions
The following duties are normal for this classification. These are not to be construed as exclusive or all-inclusive. Other duties may be required and assigned.

- Supervises staff of printing and reproduction division; plans and coordinates the division work; assigns work and reviews completed work assignments; prepares employee performance evaluations; provides job training and instruction; responds to employee problems and issues; recommends discipline of employees; approves leave requests; documents misconduct. 35% +/- 10%
- Prepares bid and contract specifications; prepares invitation to bid (ITB); prepares request for proposal (RFP) for the County's print management contract; monitors contract funding; reviews and approves contract payments; performs financial and administrative duties of contract. 30% +/- 10%
- Provides print services to County departments; provides consulting services for County agencies; provides estimates, time frames, and procure materials for projects; prepares, reviews, and processes print job specifications; processes printing request to meet client's requirements; coordinates the production of printing orders throughout the entire printing process. 10% +/- 5%
- Maintains and oversees the division operating budget; prepares, reviews, and presents pricing model for division cost recovery; prepares and maintains a database of internal charges to County agencies; prepares reports of division activities; reviews, performs, and approves accounts payable; identifies operating and capital budget needs. 15% +/- 10%
- Performs other administrative duties; responsible for performing agency assessments for placement of copiers and/or network printers; prepares, recommends, and assists with all copier additions, removals, moves, and configuration updates; maintains database containing all equipment models, locations, contacts, and average monthly volumes.
Senior Printing Coordinator

Minimum Training and Experience Required to Perform Essential Job Functions

Vocational/technical training in reproduction, graphic arts or related field with five (5) years of related experience; or any equivalent combination of training and experience.

Valid Ohio driver license, proof of automobile insurance, and a reliable vehicle.

Additional Requirements for all levels

No special license or certification is required.

Minimum Physical and Mental Abilities Required to Perform Essential Job Functions

Physical Requirements

- Ability to operate a variety of automated office machines and specialized printing equipment.
- Ability to sit, stand, and walk for prolonged periods of time and push, pull, and lift up to 80 pounds.

Supervisory Responsibilities

- Ability to assign, review, plan and coordinate the work of other employees and to maintain standards.
- Ability to provide instruction and training to other employees.
- Ability to solve and act on employee problems.
- Ability to recommend the transfer, selection, evaluating, or promotion of employees.
- Ability to recommend and act on the discipline or discharge of employees.

Mathematical Ability

- Ability to add, subtract, multiply, divide, calculate decimals and percentages, routine statistics, and moderate math such as algebra.

Language Ability & Interpersonal Communication

- Requires the ability to perform mid-level data analysis including the ability to audit, deduce, assess, conclude and appraise. Requires discretion in determining and referencing such to established criteria to define consequences and develop alternatives.
- Ability to comprehend a variety of informational documents including vendor invoices, department orders, correspondence, in-house requisitions, checks, contract payments, requests for quotes, personnel documents, and other reports and records.
- Ability to understand a variety of reference books and manuals including equipment operation manuals, legal dictionary, and Personnel Policies and Procedures Manuals.
- Ability to prepare print job specifications, invitations to bid, bid evaluation documents, reports (i.e. – revenue reports, paper usage reports, photo copier volume reports, and expenditures report), correspondence, personnel documents, customer invoices, and other job related documents using prescribed format and conforming to all rules of punctuation, grammar, diction and style.
- Ability to supervise and counsel employees, to record and deliver information, to explain procedures, to follow instructions.

Proposed DATE
Senior Printing Coordinator

- Ability to use and interpret print production, marketing, accounting, and contract terminology and language.

- Ability to communicate effectively with supervisors, vendors, customers, contractors, coworkers, and other County employees.

Environmental Adaptability

- Work is typically performed in the print shop.

- Work may involve exposure to heavy machinery, loud noises, and emit strong chemical odors.

Cuyahoga County is an Equal Opportunity Employer. In compliance with the Americans with Disabilities Act, the County will provide reasonable accommodations to qualified individuals with disabilities and encourages both prospective employees and incumbents to discuss potential accommodations with the employer.

Classification Function
The purpose of this classification is to assist in administering and coordinating the operations of the Maintenance Department of the Public Works Engineer's Office; to provide support to a Maintenance Superintendent.

Distinguishing Characteristics
This is a assistant manager classification with responsibility for supporting the Maintenance Superintendent in planning and directing the Maintenance section of the Public Works Engineer Office, under direction. This class provides support in solving operational, technical, and management problems related to maintenance. The employee participates in discussion of plans, projects, and objectives, and in presenting solutions to identified concerns. The incumbent exercises discretion in applying policies and procedures to resolve organizational issues and in ensuring that assigned activities are completed in a timely and efficient manner.

Essential Job Functions
The following duties are normal for this classification. These are not to be construed as exclusive or all-inclusive. Other duties may be required and assigned.

- Assists in the administration of the operations of the Maintenance department; coordinates work operations with administration, contractors and the public; oversees the maintenance of and capital improvements to all Public Works Buildings. 25% +/- 10%

- Supervises the assigned maintenance area; assigns and reviews work; recommends hiring, promotions, discharges, and disciplinary actions; documents misconduct; assesses staffing requirements; evaluates training needs and provides instruction; evaluates performance; establishes and promotes employee morale; answers staff questions and provides information and conflict resolution as appropriate. 25% +/- 10%

- Ensures efficiency of snow and ice removal operations for the Public Works; inspects bridges and roadways to assess maintenance and repair needed; reviews daily reports; inspects equipment for proper operation and upkeep. 20% +/- 10%

- Assists in evaluating, reviewing and recommending the section budget for disbursements of materials, parts, supplies, equipment and tools; reviews daily work distribution, reports, labor and materials costs and work done; approves payroll and all departmental purchases and establishes costs of work needed. 20% +/- 5%

- Reviews and responds to citizen requests and complaints; investigates all grievances within the department; plans, coordinates and attends meetings and demonstrations. 10% +/- 5%

Minimum Training and Experience Required to Perform Essential Job Functions
© Aroher Company

Proposed December 2011

I.
Assistant Maintenance Superintendent

Associate's degree or equivalent technical training in the trades or construction fields with six (6) years of related experience; or any combination of education and experience that provides equivalent knowledge, skills and abilities.

Additional Requirements

Requires a driver's license in the State of Ohio.

Minimum Physical and Mental Abilities Required to Perform Essential Job Functions

Physical Requirements

- Ability to operate a variety of automated office machines including computers and peripheral equipment.
- Ability to operate a variety of maintenance equipment including snooper, lifts, survey instruments, metal detector, safety equipment, computers and peripheral equipment.

Supervisory Responsibilities

Cuyahoga County is an Equal Opportunity Employer. In compliance with the Americans with Disabilities Act, the County will provide reasonable accommodations to qualified individuals with disabilities and encourages both prospective employees and incumbents to discuss potential accommodations with the employer.
Classification Function
The purpose of this classification is to oversee and participate in operations at a specific Public Works Maintenance Facility, to include maintenance of County roadways and bridges within Townships, and direct general facility procedures.

Distinguishing Characteristics
This is a technical, assistant supervisor classification. This class requires exercise of judgment and consults with a supervisor as new or unusual situations arise. The employee ensures that work is performed effectively and efficiently and according to OSHA safety requirements. This class is distinguished from the Maintenance Supervisor that is responsible for first-line supervision of a maintenance facility.

Essential Job Functions
The following duties are normal for this classification. These are not to be construed as exclusive or all-inclusive. Other duties may be required and assigned.

60% +/- 20%
- Assigns, supervises, and works with a crew of construction personnel engaged in bridge, road, and facility construction, maintenance, and repair, which may require climbing on steel beams, girders, concrete arches, and related bridge structures or while working from scaffolding and personnel conveyance devices, such as a snoper, spider, manlift or similar equipment assists in maintaining discipline of employees and maintaining accountability.

20% +/- 10%
- Estimates, plans and organizes the materials, tools and equipment necessary to perform an assignment; documents all materials, labor and vehicles at the facility and on projects; completes or reviews reports.

20% +/- 10%
- Inspects projects in advance and advises supervisor of requirements of personnel, materials and equipment; assists in snow and ice operation, as needed.

Experience Required to Perform Essential Job Functions
High school diploma supplemented with vocational training with two (2) years of experience assigning, supervising, and working with a crew of construction/maintenance personnel; or any combination of education and experience that provides equivalent knowledge, skills and abilities.

Additional Requirements
Required to have a driver's license with the State of Ohio.

Minimum Physical and Mental Abilities Required to Perform Essential Job Functions

Physical Requirements
Ability to operate automated office machines including computers and peripheral equipment. Ability to perform tasks while climbing on steel beams, girders, concrete arches, and related bridge structures or
Assistant Maintenance Supervisor

while working from scaffolding and personnel conveyance devices, such as a snooper, spider, manlift or similar equipment.

Supervisory Responsibilities

- Ability to assign, review, plan and coordinate the work of other employees and to maintain standards.
- Ability to provide instruction to other employees and to act on employee problems.

Mathematical Ability

- Ability to understand and apply addition, subtraction, multiplication, and division.

Language Ability & Interpersonal Communication

- Ability to perform mid-level data analysis including the ability to audit, deduce, assess, conclude and appraise. Requires discretion in determining and referencing such to established criteria to define consequences and develop alternatives.
- Ability to comprehend a variety of informational documents including plans, reports, invoices, work orders, preventative maintenance reports and historic plans of previous projects.
- Ability to comprehend a variety of reference books and manuals including OSHA rules and standards (including MSDS file) as they apply to personnel, equipment and vehicle safety, the Work Order Program
- Ability to prepare timesheets, maintenance reports, work orders, estimates and quotes, drawings and plans and other job related documents using prescribed format and conforming to all rules of punctuation, grammar, diction and style.
- Ability to serve as a lead worker, record and deliver information, to explain procedures, to follow instructions.
- Ability to develop and maintain effective working relationships with a variety of individuals within and outside the department.
- Ability to use and interpret basic engineering related terminology and language
- Ability to communicate with supervisor, maintenance staff, engineers, co-workers, and the general public.

Environmental Adaptability

- Work is typically performed in the field subject to noise, traffic, dust, and traffic and in an office environment.

Cuyahoga County is an Equal Opportunity Employer. In compliance with the Americans with Disabilities Act, the County will provide reasonable accommodations to qualified individuals with disabilities and encourages both prospective employees and incumbents to discuss potential accommodations with the employer.
CUYAHOGA COUNTY CLASSIFICATION SPECIFICATION

Class Title: Chief Engineer

Class Number: 1063315
Pay Grade: 16

Departments: Development, only

Classification Function

The purpose of this classification is to manage all engineering functions in the Sanitary Engineering Division which includes new construction, specifications, design and rehabilitation of sanitary sewers, storm sewers, raw sewage pump stations, waste water treatment plants and waterlines and to supervise lower level supervising engineers.

Essential Job Functions

The following duties are normal for this classification. These are not to be construed as exclusive or all-inclusive. Other duties may be required and assigned.

- Manages all engineering functions in the Sanitary Engineering Division which includes new construction, specifications, design and rehabilitation of sanitary sewers, storm sewers, raw sewage pump stations, waste water treatment plants and waterlines (e.g. - oversees the work of lower level engineers and administrative assistants; reviews and approves construction plans and specifications; reviews and approves contractor's shop drawings, change orders and pay estimates for County projects; conducts final inspections of construction projects to insure contractor's compliance with plans and specifications; schedules pre-bid and pre-construction conferences; troubleshoots, when necessary).

- Supervises lower level supervising engineers (e.g. - assigns work and reviews completed assignments; evaluates performance; reviews and approves employee leave requests; recommends employee selection, promotion, and discipline).

Proposed June 2012
• Supervises, oversees, monitors, and participates in the establishment and maintenance of sensitive and confidential medical records, prepares a variety of reports and records, and maintains documentation of client contact in accordance with departmental and statutory regulations and procedures.

• Counsels assigned patients; discusses treatment options with patients and provides necessary information for educated decision-making process; maintains compliance with confidentiality requirements.

Minimum Training and Experience Required to Perform Essential Job Functions

Graduation from an accredited medical school as an M.D or D.O. in the United States or Canada approved by a recognized accrediting body in the year of the applicant's graduation; a Doctor of Medicine or equivalent degree from a foreign medical school that provided education and medical knowledge substantially equivalent to accredited schools in the United States may be demonstrated by permanent certification by the Educational Commission for Foreign Medical Graduates (ECFMG); two years of professional experience; some professional level experience performing responsible patient evaluations and treatment of patients from diverse cultural and ethnic backgrounds.

Additional Requirements
Possession of a valid license to practice medicine in the State of Ohio issued by the Board of Medical Examiners.

Completion of an orthopedic residency program, or fourth year residents, including four years of training in orthopedic surgery and an additional year of training in a broad-based accredited residency program such as general surgery or internal medicine.

Requires current, valid CPR certification.

Board Certification
Board Certification in Orthopedic medicine preferred.

Minimum Physical and Mental Abilities Required to Perform Essential Job Functions

Physical Requirements
• Ability to operate a variety of automated office machines including computers and peripheral equipment; sit at a desk and in meetings for long periods of time; mobility to work in both office and clinical settings and to travel to various sites; strength to lift, carry and position supplies and equipment; touch in order to conduct physical health assessments; stand for long periods of time in performing medical assessments and surgery.

Supervisory Responsibilities
No supervisory responsibilities. Oversees, monitors, and participates in the establishment and maintenance of sensitive and confidential medical records.

Mathematical Ability
• Ability to add, subtract, multiply, divide and calculate ratios and percentages.
Orthopedist - Corrections

Language Ability & Interpersonal Communication

- Ability to perform upper-level data analysis requiring managing of data and people deciding the time, sequence of operations or events within the context of a process, system or organization. Involves development of goals, objectives, policies, procedures or functions based on the analysis of data/information and includes performance reviews pertinent to such objectives, functions and requirements.

- Ability to comprehend a variety of reference books and manuals including Diagnostic and Statistical Manual, Physician’s Desk Reference, local, state and federal rules, regulations and laws, county and department policies, procedures, rules and regulations, professional association newsletters, textbooks, and journal articles.

- Ability to prepare documentation, medical records, prescriptions, notes, and other job related documents using prescribed format and conforming to all rules of punctuation, grammar, diction and style.

- Ability to develop and maintain effective working relationships with a variety of individuals within and outside the Department including various cultural and ethnic groups in a tactful and effective manner.

- Ability to use and interpret medical terminology and language.

- Ability to communicate with patients, working groups, and employees of own department and with outside departmental employees and administrators.

Environmental Adaptability

- Work is typically performed in an indoor/office environment in a County jail.

Cuyahoga County is an Equal Opportunity Employer. In compliance with the Americans with Disabilities Act, the County will provide reasonable accommodations to qualified individuals with disabilities and encourages both prospective employees and incumbents to discuss potential accommodations with the employer.

Classification Function

The purpose of this classification is to perform medical evaluations and diagnoses of assigned patients; to develop, monitor, and evaluate appropriate treatment plans and follow-up care; to perform minor operative procedures including suturing and casting uncomplicated fractures; to perform and monitor a variety of administrative tasks/functions in support of assigned services; and to act as a positive and cooperative team member and resource within the Correctional Institution.

Distinguishing Characteristics

This is a professional level classification, performing highly responsible and specialized professional functions and tasks in a very independent manner. Administrative direction is received from the Medical Director. Employees in these job classes may provide administrative direction to professional level contractors and/or private service providers as well as assigned County staff. This class may have programmatic, clinical, and administrative responsibilities, and requires a high degree of professional level knowledge and expertise as well as excellent organizational and communication skills.

Essential Job Functions

The following duties are normal for this classification. These are not to be construed as exclusive or all-inclusive. Other duties may be required and assigned.

60% +/- 15%

- Performs medical and physical evaluations of patients’ health status; makes diagnoses and develops and prescribes medical and rehabilitative treatment/therapy plans based on diagnoses of symptoms; prescribes medications; monitors patients’ reactions, relief of symptoms, and degree of side effects on a regular and on-going schedule.

20% +/- 5%

- Provides clinical supervision to mid-level practitioners reviewing success and appropriateness of treatment plans and prescribed medications; modifying treatment plans and prescribed medications in response to patients’ needs and symptoms; provides night, weekend, and holiday medical triage and authorizations via telephone.

10% +/- 5%

- Participates in a variety of meetings and conferences with other staff members/service providers regarding client care, services, and other administrative matters; acts as professional resource to other staff, service providers, and/or programs regarding illness, diagnosis, treatment, and services available.

5% +/- 5%

- Supervises, oversees, monitors, and participates in the establishment and maintenance of sensitive and confidential medical records, prepares a variety of reports and records, and maintains documentation of client contact in accordance with departmental and statutory regulations and procedures.

5% +/- 5%

- Counsels assigned patients; discusses treatment options with patients and provides necessary information for educated decision-making process; maintains compliance with confidentiality requirements.

## Classification Function

The purpose of this classification is to assist in the review of construction project design plans.

## Essential Job Functions

The following duties are normal for this classification. These are not to be construed as exclusive or all-inclusive. Other duties may be required and assigned.

- Prepares a review detailed plans of construction projects for compliance to contract specifications for approval by professional engineer staff.
- Assists in the design and planning of construction projects (e.g., drafts design for review; performs calculations; revises plans; prepares materials specifications).
- Assists senior engineering staff with construction projects (e.g., prepares monthly cost estimates, documents change orders; conveys information to city engineers, contractors, city officials and residents).
- Assists with miscellaneous design duties (e.g., creates miscellaneous designs; performs project troubleshooting and project inspection).

## Minimum Training and Experience Required to Perform Essential Job Functions

Bachelor's degree in civil engineering.

**Additional Requirements**

Engineer in Training Certificate (EI) through the State Board of Engineers and Surveyors

## Minimum Physical and Mental Abilities Required to Perform Essential Job Functions

### Physical Requirements

- Ability to operate a variety of automated office machines including personal computer with departmental software and purchased software.
- Ability to operate drafting equipment including compass, parallel, etc.
- Ability to conduct on-site inspections.

### Mathematical Ability

- Ability to add, subtract, multiply, divide, calculate decimals and percentages and make use of the principles of algebra, geometry, trigonometry, calculus and statistical inference.

**Classification Function**

The purpose of this classification is to plan and coordinate one program aspect of engineering project and to supervise lower level engineers and technicians.

**Essential Job Functions**

The following duties are normal for this classification. These are not to be construed as exclusive or all-inclusive. Other duties may be required and assigned.

- Plans one program aspect of engineering project (e.g., coordinates Inflow/Infiltration (I/I) activities; plans work of two person meter crew; receives metering requests; reviews data and prepares I/I reports; prepares all purchase orders relating to I/I activities including materials ordering and equipment repair; prepares equipment specifications as needed).
- Supervises lower level engineers and technicians (e.g., plans, coordinates and assigns work; reviews work and evaluates performance; maintains work standards; provides instruction; recommends the selection, transfer, promotion and discipline of employees).
- Functions as project engineer for County construction projects (e.g., prepares project detailed specifications; reviews project specifications and plans prepared by consultants; prepares bid documents including engineers estimates; prepares consultant and contractor payment estimates; prepares contract change orders; coordinates field activities; visits job site to inspect operations; coordinates communications regarding project between involved parties).

**Minimum Training and Experience Required to Perform Essential Job Functions**

Must be registered professional engineer with the State Board of Registration for Professional Engineers and Surveyors. Four years of professional engineering experience.

**Additional Requirements**

Annual renewal of registration required.

**Minimum Physical and Mental Abilities Required to Perform Essential Job Functions**

**Physical Requirements**

- Ability to operate a variety of automated office machines including personal computer with departmental software and purchased software.

**Supervisory Responsibilities**

- Ability to assign, review, plan and coordinate the work of other employees.
- Ability to provide instruction to other employees.
- Ability to recommend the discipline or discharge of other employees.
• Ability to recommend the transfer, promotion or salary increase of other employees.

Mathematical Ability

• Ability to add, subtract, multiply, divide, calculate decimals and percentages, make use of principles of algebra, geometry, trigonometry, calculus and statistical inference.

Language Ability & Interpersonal Communication

• Ability to comprehend a variety of informational documents including design plans and shop drawings, blueprints, billing invoices, flow charts, progress reports, I/I flow meter data, rain gauge reports, technical reports, insurance forms and other reports and records.

• Ability to comprehend a variety of reference books and manuals including computer software manuals, material design handbooks, design manuals, graphics standards, specification standards, equipment manuals and personnel policy manuals.

• Ability to prepare cost estimates, equipment and materials specifications, project specifications, contract discounts, charts, graphs, change orders, purchase orders, technical reports and other job related documents using prescribed format and conforming to all rules of punctuation, grammar, diction and style.

• Ability to supervise and counsel employees, to convince and influence others, to record and deliver information, to explain procedures, to follow instructions.

• Ability to use and interpret engineering terminology and language.

• Ability to communicate with director, supervisor, engineering consultants, contractors, city engineers, customers, I/I crew members, staff engineers, sales representatives, other County employees and the general public.

Environmental Adaptability

• Work is typically performed in an office environment.

• Work performed in the field with exposure to varying weather conditions.

Cuyahoga County is an Equal Opportunity Employer. In compliance with the Americans with Disabilities Act, the County will provide reasonable accommodations to qualified individuals with disabilities and encourages both prospective employees and incumbents to discuss potential accommodations with the employer.
CUYAHOGA COUNTY CLASSIFICATION SPECIFICATION

Class Title: Project Engineer 4
Class Number: 1063314
Pay Grade: 15

Departments: Development, only

Classification Function
The purpose of this classification is to manage construction of County financed projects and to supervise lower level engineering and technical personnel.

Essential Job Functions
The following duties are normal for this classification. These are not to be construed as exclusive or all-inclusive. Other duties may be required and assigned.

- Manages construction of County financed projects (e.g., evaluates bids by contractors and consultants; supervises construction activities; approves payments to contractor; reviews requests for change orders; negotiates with contractors and prepares change orders; recommends project approval).
- Supervises lower level engineers and technicians engaged in engineering activities (e.g., plans, coordinates and assigns work; reviews work and evaluates performance; maintains work standards; provides instruction; recommends the selection, transfer, promotion and discipline of employees).
- Prepares or reviews design plans (e.g., prepares design calculations and plans; prepares contract documents; reviews design calculations and design plans; checks contract documents; prepares project specifications).
- Negotiates and prepares operations and maintenance agreements with various municipalities for County services (e.g., meets with municipal leaders; negotiates terms and conditions of agreement; prepares agreement).
- Prepares miscellaneous plans and reports (e.g., prepares five-year capital improvement plans; prepares Capital Planning reports; reviews projects financed by municipalities or developers; prepares requests for proposal for consulting services).

Minimum Training and Experience Required to Perform Essential Job Functions
Must be registered professional engineer with the State Board of Registration for Professional Engineers and Surveyors. Six years of professional engineering experience including two years in a supervisory capacity.

Additional Requirements
Annual renewal of registration required.

Minimum Physical and Mental Abilities Required to Perform Essential Job Functions

CUYAHOGA COUNTY CLASSIFICATION SPECIFICATION

Class Title: Sanitary Project Manager
Class Number: 1063211
Pay Grade: 12

Departments: Development, only

 Classification Function

The purpose of this classification is to provide project management for County, municipal, and private sanitary projects.

Essential Job Functions

The following duties are normal for this classification. These are not to be construed as exclusive or all-inclusive. Other duties may be required and assigned.

- Provides project management for County, municipal, and private sanitary projects (e.g. - reviews design plans; reviews design calculations; reviews easements; reviews engineer's estimates; recommends projects approval; provides leadership on project matters; informs project management team of project status; makes recommendations on design improvements, construction technology, schedules, and construction economies; analyzes effects of alternatives on the project cost and schedule).

- Manages construction of County financed projects (e.g. - evaluates bids submitted by contractors and consultants; reviews requests for change orders; negotiates with contractors and consultants; prepares change orders; recommends project approval).

- Coordinates the construction activities of County inspector on private and municipal projects.

- Prepares inflow/infiltration studies on existing County improvements (e.g. - reviews flow data from metering; reviews and prepares existing design of improvement; prepares charts from inflow/infiltration data; prepares reports on the inflow/infiltration).

- Performs related administrative responsibilities (e.g. - monitors contractor payments, changes, claims, and inspection for conformance to design requirements; provides cost and progress information; reviews requests for sewer connections; reviews requests for septic tanks; reviews pump station plans; conducts meetings with city engineers; responds to written and verbal inquiries and complaints; maintains related records).

Minimum Training and Experience Required to Perform Essential Job Functions

Bachelor's degree in architecture, engineering or construction management with six years of construction/maintenance experience or any equivalent combination of training and experience.

Additional Requirements

No additional license or certification is required.

Minimum Physical and Mental Abilities Required to Perform Essential Job Functions

Physical Requirements

- Ability to operate a variety of automated office machines including personal computer, drafting tools, calculator, copier and telephone.

Mathematical Ability

© DMG Proposed November, 1998
Cuyahoga County Classification Specification

- Ability to add, subtract, multiply, divide, calculate decimals and percentages and apply the basic principles of algebra and geometry.

Language Ability & Interpersonal Communication

- Ability to comprehend a variety of informational documents including contracts, invoices, federal statutes, federal rules, flow charts, protocols, mechanical drawings, electrical diagrams, blueprints, pump station plans, flow meter charts, engineering site plans, technical study reports and other reports and records.

- Ability to comprehend a variety of reference books and manuals including Ohio Revised Code, building codes, zoning maps, design manuals, computer software manuals, equipment handbooks and operating manuals, and County policies and procedures manuals.

- Ability to prepare construction progress reports, project management guidelines, project specifications, cost estimates, correspondence and other job related documents using prescribed format and conforming to all rules of punctuation, grammar, diction and style.

- Ability to convince and influence others, to record and deliver information, to explain procedures, to follow instructions.

- Ability to use and interpret architectural, electrical and mechanical terminology and language.

- Ability to communicate with elected officials, administrators, directors, consultants, architects, contractors, city engineers, other government agencies, other County employees, and the general public.

Environmental Adaptability

- Work is typically performed in an office, shop, and field construction environment.

CUYAHOGA COUNTY CLASSIFICATION SPECIFICATION

Class Title: Senior Network Support Technician
Class Number: 1011233
Pay Grade: 8

Departments: All departments

Classification Function

The purpose of this classification is to provide complex computer hardware, network, and software technical support and assistance to end-users in a County department within a LAN/WAN environment.

Essential Job Functions

The following duties are normal for this classification. These are not to be construed as exclusive or all-inclusive. Other duties may be required and assigned.

- Provides complex computer hardware, network, and software technical support and assistance to end-users in a County department within a LAN/WAN environment (e.g. - installs and maintains hardware and software including data terminal, data communications, personal computers, servers, routers and bridges; diagnoses and resolves problems referenced by the help desk, supervisor, and users; with direction from the supervisor, configures, installs and maintains workstations on LANs; with direction from the supervisor, configures, installs, and maintains LANs; provides end-users basic operational instructions).

- Provides computer hardware, network, and software technical support and assistance utilizing the Ohio Data Network (e.g. - with direction the supervisor, configures, installs, and maintains 3270 data communications and data terminal hardware on the Ohio Data Network; provides supportive services to other departments utilizing the Ohio Data Network).

- Provides other computer-related support services (e.g. - customizes installation of software applications to meet end-users needs; refurbishes and adjusts equipment; assists with site evaluations; notifies service vendor of equipment malfunction).

- Performs miscellaneous administrative duties (e.g. - maintains computer inventory, monitors problem log system, responds to problems via telephone, etc.).

Minimum Training and Experience Required to Perform Essential Job Functions

Associate's degree in computer science or a related field and three years of computer experience; or any equivalent combination of training and experience.

Additional Requirements

No special license or certification is required.

Minimum Physical and Mental Abilities Required to Perform Essential Job Functions

Physical Requirements

- Ability to operate a variety of automated office machines including personal computer, 3270, peripheral equipment, scanners, and printers.

- Ability to move and install computer and related hardware equipment.

© DMG October 27, 1999

Proposed March 30, 2005
Mathematical Ability
- Ability to add, subtract, multiply, divide and calculate decimals and percentages.

Language Ability & Interpersonal Communication
- Ability to comprehend a variety of informational documents including problem logs, user requests, computer periodicals, source materials, and other reports and records.
- Ability to comprehend a variety of reference books and manuals including various hardware and software computer manuals.
- Ability to prepare status reports, problem resolutions, memos, procedural instructions, and other job related documents using prescribed format and conforming to all rules of punctuation, grammar, diction and style.
- Ability to convince and influence others, to record and deliver information, to explain procedures, maintain confidentiality of restricted information, and to follow instructions.
- Ability to use and interpret computer hardware and computer software terminology and language.
- Ability to communicate effectively with managers, supervisors, help desk employees, County Information Services Center, Ohio Department of Human Services, other County employees, and vendors.

Environmental Adaptability
- Work is typically performed in an office environment.

Cuyahoga County is an Equal Opportunity Employer. In compliance with the Americans with Disabilities Act, the County will provide reasonable accommodations to qualified individuals with disabilities and encourages both prospective employees and incumbents to discuss potential accommodations with the employer.
Classification Function

The purpose of this classification is to develop internal and external innovation plans and identify key areas of improvement for the County.

Distinguishing Characteristics

This is a journey level classification with responsibility for assisting with internal and external innovation plans including outcome-based contract management, cost savings and operational efficiency projects. This classification manages sensitive data, interprets performance analysis and executes projects in support of the County Executive’s strategic priorities & key administrative opportunities for improvement. Positions in this class independently perform recurring, well-precedented projects using standard methods and techniques. Employees receive instruction of assistance as new or unusual situations arise, and are expected to remain up-to-date on methods, techniques, procedures, and applicable regulations for the analysis of data and results.

Essential Job Functions

The following duties are normal for this classification. These are not to be construed as exclusive or all-inclusive. Other duties may be required and assigned.

- Develops internal and external innovation plans identifying key areas of improvement for the County such as performance indicators, critical business processes and technology; prepares project charters and project plans; maps processes; implements project plans; manages unforeseen risks and issues; collaborates with management staff to evaluate programs and services; closes out projects; documents project results and lessons learned.  
  50% +/- 10%

- Retrieves, analyzes, interprets, presents and publishes data and performance reports in support of the Operational Excellence Program; identifies key operational trends, patterns and surface insights.  
  30% +/- 10%

- Performs related administrative duties; prepares various reports, records and other documents; tracks project progress; answers phone calls and emails; schedules and attends meetings, trainings, and conferences; pursues professional certifications and applies the knowledge to the organization; researches current trends and best practices; oversees focus groups and cross-functional team meetings.  
  20% +/- 10%

Minimum Training and Experience Required to Perform Essential Job Functions

Master’s degree in Business Administration, Public Administration, Urban Planning, Industrial Organizational Psychology, Organizational Development or related field with two (2) years of process improvement or organizational development experience; or any equivalent combination of training and experience.

Additional Requirements

No special license or certification is required.
Performance Consultant

Minimum Physical and Mental Abilities Required to Perform Essential Job Functions

Physical Requirements
  - Ability to operate a variety of automated office machines including computer and copier.

Mathematical Ability
  - Ability to add, subtract, multiply, divide and calculate decimals and percentages, and perform routine statistics and moderate math.

Language Ability & Interpersonal Communication
  - Requires the ability to perform mid-level data analysis including the ability to audit, deduce, assess, conclude and appraise. Requires discretion in determining and referencing such to established criteria to define consequences and develop alternatives.
  - Ability to comprehend budget statements, personnel forms and reports, evaluations, invoices, funding applications, financial documents, and legislation.
  - Ability to comprehend a variety of reference books and manuals including Personnel Policies and Procedures Manual, classification specifications, the Ohio Revised Code, County Charter and ordinances, publications, and OSHA standards.
  - Ability to prepare project portfolios, project charters, project management plans, executive summaries, run charts, performance reports, pareto charts, memoranda, continuous improvement stories, and other job related documents using prescribed format and conforming to all rules of punctuation, grammar, diction and style.
  - Ability to develop and maintain effective working relationships with a variety of individuals within and outside the Department.
  - Ability to communicate with managers, administrators, directors, other County staff, contractors, vendors, external clients, and the general public.

Environmental Adaptability
  - Work is typically performed in an office environment.

_Cuyahoga County is an Equal Opportunity Employer._ In compliance with the Americans with Disabilities Act, the County will provide reasonable accommodations to qualified individuals with disabilities and encourages both prospective employees and incumbents to discuss potential accommodations with the employer.
