WHEREAS, Cuyahoga County has received a request from Western Reserve Land Conservancy for a Resolution supporting an application for thirteenth-round funding under the Clean Ohio Fund Green Space Conservation Program available through the Ohio Public Works Commission for the conservation of ecologically significant areas in the Brecksville Upland Preserve Extension in the City of Brecksville, pursuant to Ohio Revised Code Section 164.23; and

WHEREAS, the Western Reserve Land Conservancy seeks to preserve an approximately 48-acre, single-parcel property located in the City of Brecksville in Cuyahoga County. With frontage on the east side of Brecksville Road (Route 21) immediately to the south of Parkview Road, the heavily wooded property shares its eastern boundary with a 98-acre property recently acquired by the Western Reserve Land Conservancy with Clean Ohio District One Natural Resources Assistance Council support. Like that property, long-term management and maintenance of the Brecksville Upland Preserve Extension will be carried out by Cleveland Metroparks, to which the Western Reserve Land Conservancy intends to transfer fee-simple ownership of the property upon acquisition. A conservation easement, to be held by Western Reserve Land Conservancy, will ensure that the Clean Ohio Program's investment in this scenic natural asset is protected in perpetuity; and

WHEREAS, the project is known as the "Brecksville Upland Preserve Extension" and is located in County Council District No. 6; and

WHEREAS, the total estimated project cost is \$1,200,000.00, of which \$866,450.00 is estimated for the Clean Ohio application; and

WHEREAS, Ohio Revised Code Section 164.23 provides that "an entity seeking a grant for a project that is eligible for funding shall submit an application to the

natural resources assistance council with geographical jurisdiction over the proposed project area;” and, Ohio Revised Code Section 164.23(B) further provides that “in addition to the application, an applicant for a grant for a project shall include a copy of a resolution supporting the project from each county in which the proposed project is to be conducted;” and

WHEREAS, the Ohio Public Works Commission provides financial assistance to Natural Resources Assistance Councils for the purpose of preserving open spaces, sensitive ecological areas, and stream corridors; and

WHEREAS, the applications for the thirteenth-round funding under the Clean Ohio Fund Green Space Conservation Program are due on October 12, 2018 to the Cuyahoga County Natural Resources Assistance Council; and,

WHEREAS, it is necessary that this Resolution become immediately effective in order to meet the application deadline required by the Cuyahoga County Natural Resources Assistance Council.

NOW, THEREFORE, BE IT RESOLVED BY THE COUNTY COUNCIL OF CUYAHOGA COUNTY, OHIO:

SECTION 1. That the Cuyahoga County Council hereby supports the submission of an application for funding under the Clean Ohio Fund Green Space Conservation Program available through the Ohio Public Works Commission on behalf of the Western Reserve Land Conservancy for the conservation of ecologically significant areas in the Brecksville Upland Preserve Extension in the City of Brecksville and known as the “Brecksville Upland Preserve Extension” Project.
