

County Council of Cuyahoga County, Ohio

Resolution No. R2020-0063

Sponsored by: County Executive Budish/Fiscal Officer/Office of Budget and Management	A Resolution amending the 2020/2021 Biennial Operating Budget for 2020 by providing for additional fiscal appropriations from the General Fund to meet the budgetary needs of various County departments, offices and agencies; and declaring the necessity that this Resolution become immediately effective.
---	---

WHEREAS, on December 10, 2019, the Cuyahoga County Council adopted the Biennial Operating Budget and Capital Improvements Program for 2020/2021 (Resolution No. R2019-0224) establishing the 2020/2021 biennial budget for all County departments, offices and agencies; and

WHEREAS, it is necessary to adjust the Biennial Operating Budget for 2020 to reflect budgetary funding increases, funding reductions, to transfer budget appropriations and to transfer cash between budgetary funds, to accommodate the operational needs of certain County departments, offices and agencies; and

WHEREAS, it is further necessary that this Resolution become immediately effective in order that critical services provided by Cuyahoga County can continue and to provide for the usual, daily operation of County departments, offices, and agencies.

NOW, THEREFORE, BE IT RESOLVED BY THE COUNTY COUNCIL OF CUYAHOGA COUNTY, OHIO:

SECTION 1. That the 2020/2021 Biennial Operating Budget for 2020 be amended to provide for the following additional appropriation increases:

Fund Nos./Budget Accounts

A. Central Custodial Services		
SH750100 – Central Security Serv-Sheriff		
Other Expenses	\$	262,250.00
Capital Outlays	\$	62,000.00

The Sheriff's Department is requesting additional appropriations. Funding comes from charges to user agencies for security of county owned and operated buildings and properties.

\$60,000 - Request for funding to pay for uniforms and bulletproof vests required by union contracts.

\$8,500 - Harnesses are needed to continue to power the panic buttons in various county buildings. The current system is failing and needs the upgrade to continue to function properly. The handheld metal detectors are used at all county building entrances and new ones are needed to replace damaged/nonfunctioning detectors.

\$193,750 - Due to the large influx of staff for the jail there was an increased need for background checks and additional funds are needed for the BCI contract to continue these operations throughout the rest of the year. In addition, as the Protective Services is in a critical hiring category the pre-employment and psychological evaluations have increased requiring additional fund to keep the hiring process moving and bring in additional necessary staff. In order to keep the video surveillance system operational a conversion to an upgraded operating system is required and is not covered under the maintenance contract.

\$62,000 - Bullet resistant, non-reflective glass is a necessary safety feature which should have been included in the design and construction of the West 3rd and Lakeside guard booths at the Justice Center. The primary reason is for safety of security personnel and protection of County property within the booths. With security being paramount, new walk through metal detectors are needed at Jane Edna Hunter and Virgil E. Brown buildings to replace detectors that have outlived their useful life. As first responders, Protective Services has copies of keys for all county building. The key safe will keep the keys protected from unauthorized use as well as from fire or other natural disasters.

B. Printing

PW780100 – Fast Copier

Other Expenses \$ 459,898.10

Public Works is requesting additional appropriations into the print services internal service budget to allow for various contractual certifications to post. This request will specifically allow for the ASMG I 2nd year certification in the amount of \$360,000 and the final invoicing from Toshiba in the amount of \$99,898 to be certified. Payments are due to Toshiba to cover services during the transition period which overlapped with Blue Technologies. Blue Technologies contract started October 01, 2019 with the first required billing occurring after full implementation. The Blue Technology encumbrance for 2020 includes services from the implementation phase. The cash balance in this internal service fund was \$553,868 as of the close of January 2020.
