

MARCH 29TH VIETNAM VETERANS DAY

CUYAHOGA COUNTY, OHIO

INVITATION TO COMMEMORATE AND SHARE A LEGACY

Cuyahoga County in partnership with the City of Cleveland, Equal Honor For All, Greater Cleveland Veterans Memorial Inc. and the Joint Veterans Commission of Cuyahoga County, invite Vietnam War Era and all eras Veterans and their families, our citizens and those who served alongside our troops from throughout the world and their families to commemorate and celebrate Cuyahoga County's inaugural March 29th Vietnam Veterans Day.

March 29th is a very special date for Vietnam Veterans and the nation. It is the last day in 1973 that American combat troops were in Vietnam and the day in 1974 when the first and only Vietnam Veterans Day was established by Presidential order. It is important that those who served with Honor, Dignity and Valor during the Vietnam War Era and their families can finally experience the so long in coming nation's and citizens' appreciation for a job well done.

This year we also commemorate the 50th Anniversary of the beginning of the Vietnam War. Sadly there has never been a closure for those who served in country and during that Era nor for their families nor our nation. Establishing a national March 29th Vietnam Veterans Day in perpetuity will delivered to those who were indelibly touched by the Vietnam War and its consequences, the earned respect and gratitude, and ultimately the healing as well as closure. This special day will also uplift the spirits of our current generation of our nation's defenders, knowing that theirs and their families' sacrifice and service will not be forgotten. It will also deliver the opportunity for our whole nation to reflect and heal.
